Title: It is with Regret...

Author: Liam DeFoe

Mrs. Madeline Hart,
It is with our utmost
regret that we must
inform you of the death
of your son, Willem Hart,
who accompanied us on
our mission into Destard.
Despite our best efforts,
we were attacked by a
horde of dragons...your
son fought valiantly and
held to the highest pillars
of Valor and Sacrifice in
doing so. He acquitted
himself incredibly so
against them, and we
thought the day was won,
until an Ancient wyrm
sprung from the depths
of the dungeon.
Willem showed some
trepidation, but his
manner was in the
highest dealings of
Courage as he assisted
us in holding it off until
the miners could escape.
Unfortunately, this cost
him his life, and no
manner of magic could
coax him back. As such,
we have appended all of
his commission for his
aid, as well as a sizeable
fund donated by the
miners whose lives he
saved. I am sorry for
your loss, and will assist
in any arrangements that
are necessary.
With Regards,
Liam DeFoe.
